

The biggest softball event of the year !!

August 17-19, 2007
University of Iowa Softball
Fields Iowa City, Iowa

I-Club is currently working with Dot Richardson, the Director of the Women's Pro Fastpitch Tour and former Olympic player, to bring the PFX Tour to Iowa. Big softball names like: Lisa Fernandez, Alicia Hollowell, Lovieanne Jung, Stacey Nuveman and many more, would come to Iowa. Check out their [website: www.pfxtour.com](http://www.pfxtour.com)

We need your help. In order to confirm this event we need to get a preliminary list of approximately 40 teams that would be interested in participating in this tournament by Feb. 12, 2007 at the latest. ASAP! You don't have to pay, just give us a pledge to participate. I realize that is very quick but that is the timeline we have to work with.
